December 2, 2019

Dear Trinity North Learning Community,

I sincerely hope you had a great Thanksgiving! While short, December is packed with things to do.

FAREWELL MRS. BEATTIE AND WELCOME MRS. HENCK!

As part of the Veterans Day assembly, Trinity North family recognized the 35 years of service by Mrs. Beattie, our building secretary, who retired this month. We will certainly miss her!

We are pleased to welcome Mrs. Kelley Henck, a familiar face to many at North, to the office as our new secretary! She is available at x2500 and at khenck@trinityhillers.net. Please be sure to say hello the next time you stop by!

TEAMOLOGY UPDATES

I am pleased to announce that Trinity North reached its goal of 25,000 tokens much earlier than expected! This is a testament to our students' excellent behavior and our teachers' efforts in recognizing students doing the right thing.

We held a glow party on November 27 in the gym for each grade level, where students got to play a variety of games and have a great time.

The new token goal is 50,000 tokens, and we are about 1,000 tokens toward our new goal! Your child can keep tracking the progress toward our goal on the kindness wall in the main hallway.

In 2020, we will continue our focus on kindness by adding elements of Rachel's Challenge to our program. This will continue to foster positive student/staff relations. Miss Hamilton already began a kindness and gratitude chain that is stretching through our main entry area. We are excited to see how far it can go this year!

TRINITY NORTH IN THE NEWS

Did you see the article about our sensory path? If you missed it, you can see it here:
https://observer-reporter.com/news/localnews/trinity-north-sensory-path-is-solution-for-kids-who-can/article_e0bcf7be-0c77-11ea-a1bd-1b97e0696359.html

IXL (Grades 3-5)

Did you know that students have answered over 190,000 questions this year? IXL is assisting students in making growth and progress while providing our teachers with important information about how to personalize learning for each student. In addition to using this as a tool in our classrooms, it is available for students to use at home. Simply login at <https://www.ixl.com/signin/trinityasd>.
